The 2nd Conference on Green Technologies for Sustainable Water 2019 (GTSW 2019)

SCOPE

GTSW 2019 will cover the latest scientific & technological developments for:

- Wastewater treatment and reuse
- Resource recovery from wastewater
- Control of greenhouse gas emissions from wastewater treatment processes
- Water resource management and water supply
- Nanotechnology for water treatment
- Advanced analytical methods for water and wastewater
- Disruptive technologies and applications for water resource treatment and management

GWST will also include the 4th International Membrane Bioreactor and Scientific Writing Workshops.

ORGANIZERS

GTSW Series

- **Honorary chair** Ashok Pandey, CSIR-Indian Institute of Toxicity Research, India
- **General chair** Duc Long Nghiem, University of Technology Sydney (UTS), Australia
- **Executive chair** Hao Huu Ngo, University of Technology Sydney (UTS), Australia

GTSW 2019

- **General chair** Xuan Thanh Bui, Ho Chi Minh City University of Technology (HCMUT), Vietnam
- **Executive chair** Phuoc Dan Nguyen, HCMUT, Vietnam
- **Co-chair** Jun Nakajima, Vietnam Japan University, Vietnam
- **Co-chair** Thanh Hai Le, Institute for Environment and Resource, Vietnam National University

PUBLICATION (to be updated)

GTSW 2019 intends to recommend the selected papers to the specific journals (*Bioresource Technology*, *Bioresource Technology Reports*, *Journal of Environmental Management*, *Environmental Technology & Innovation*, *Environmental Science and Pollution Research*, *Science of the Total Environment*, *International Biodeterioration and Biodegradation*, *Journal of Water Process Engineering*, *Vietnam Journal of Science, Technology and Engineering*, etc.) depending on quality and suitability to the journal scope. The available special issues from Journals will be informed in later stage.

KEY DATES

Abstract submission deadline:	July 30, 2019
Abstract acceptance notice:	August 15, 2019
Early bird registration:	August 30, 2019

REGISTRATION FEE

	until August 30, 2019	after August 30, 2019
High and upper middle income countries*, Regular**	500 USD	600 USD
High and upper middle income countries*, Student**	280 USD	320 USD
Other countries, Regular**	300 USD	400 USD
Other countries, Student**	220 USD	300 USD

*World Bank list of economies (June 2018) <http://databank.worldbank.org/data/download/site-content/CLASS.xls>

**Registration fee includes gala dinner.

15% discount for the group of ≥ 5 members, please contact GTSW secretary for group registration.

Accompany person: 50 USD/person.

ABSTRACT SUBMISSION

Please use the provided template and follow the instructions at www.GTSW2019.hcmut.edu.vn for submitting the abstracts for oral and poster presentations. The abstract can be submitted online through conference website or directly by email to the conference secretary (GTSW2019@hcmut.edu.vn).

SPONSORSHIP

Please contact the conference secretary for sponsorship opportunities.

World Bank List of High and Upper Middle Income Countries (June 2018)

<http://databank.worldbank.org/data/download/site-content/CLASS.xls>

Countries	Income group	Countries	Income group	Countries	Income group
Albania	Upper middle income	French Polynesia	High income	Northern Mariana Islands	High income
Algeria	Upper middle income	Gabon	Upper middle income	Norway	High income
American Samoa	Upper middle income	Germany	High income	Oman	High income
Andorra	High income	Gibraltar	High income	Palau	High income
Antigua and Barbuda	High income	Greece	High income	Panama	High income
Argentina	High income	Greenland	High income	Paraguay	Upper middle income
Armenia	Upper middle income	Grenada	Upper middle income	Peru	Upper middle income
Aruba	High income	Guam	High income	Poland	High income
Australia	High income	Guatemala	Upper middle income	Portugal	High income
Austria	High income	Guyana	Upper middle income	Puerto Rico	High income
Azerbaijan	Upper middle income	Hong Kong SAR, China	High income	Qatar	High income
Bahamas, The	High income	Hungary	High income	Romania	Upper middle income
Bahrain	High income	Iceland	High income	Russian Federation	Upper middle income
Barbados	High income	Iran, Islamic Rep.	Upper middle income	Samoa	Upper middle income
Belarus	Upper middle income	Iraq	Upper middle income	San Marino	High income
Belgium	High income	Ireland	High income	Saudi Arabia	High income
Belize	Upper middle income	Isle of Man	High income	Serbia	Upper middle income
Bermuda	High income	Israel	High income	Seychelles	High income
Bosnia and Herzegovina	Upper middle income	Italy	High income	Singapore	High income
Botswana	Upper middle income	Jamaica	Upper middle income	Sint Maarten (Dutch part)	High income
Brazil	Upper middle income	Japan	High income	Slovak Republic	High income
British Virgin Islands	High income	Jordan	Upper middle income	Slovenia	High income
Brunei Darussalam	High income	Kazakhstan	Upper middle income	South Africa	Upper middle income
Bulgaria	Upper middle income	Korea, Rep.	High income	Spain	High income
Canada	High income	Kuwait	High income	St. Kitts and Nevis	High income
Cayman Islands	High income	Latvia	High income	St. Lucia	Upper middle income
Channel Islands	High income	Lebanon	Upper middle income	St. Martin (French part)	High income
Chile	High income	Libya	Upper middle income	St. Vincent and the Grenadines	Upper middle income
China	Upper middle income	Liechtenstein	High income	Suriname	Upper middle income
Colombia	Upper middle income	Lithuania	High income	Sweden	High income
Costa Rica	Upper middle income	Luxembourg	High income	Switzerland	High income
Croatia	High income	Macao SAR, China	High income	Taiwan, China	High income
Cuba	Upper middle income	Macedonia, FYR	Upper middle income	Thailand	Upper middle income
Curaçao	High income	Malaysia	Upper middle income	Tonga	Upper middle income
Cyprus	High income	Maldives	Upper middle income	Trinidad and Tobago	High income
Czech Republic	High income	Malta	High income	Turkey	Upper middle income
Denmark	High income	Marshall Islands	Upper middle income	Turkmenistan	Upper middle income
Dominica	Upper middle income	Mauritius	Upper middle income	Turks and Caicos Islands	High income
Dominican Republic	Upper middle income	Mexico	Upper middle income	Tuvalu	Upper middle income
Ecuador	Upper middle income	Monaco	High income	United Arab Emirates	High income
Equatorial Guinea	Upper middle income	Montenegro	Upper middle income	United Kingdom	High income
Estonia	High income	Namibia	Upper middle income	United States	High income
Faroe Islands	High income	Nauru	Upper middle income	Uruguay	High income
Fiji	Upper middle income	Netherlands	High income	Venezuela, RB	Upper middle income
Finland	High income	New Caledonia	High income	Virgin Islands (U.S.)	High income
France	High income	New Zealand	High income
